

Interview Conducted By: Mark Julian Here's part two of my chat with actor Conan Stevens. If you missed the first part of the interview, [click here](#). The former wrestler turned actor opens up about that experience and his take on wrestlers entering the acting profession. Plus, he opens up about his interpretation of Thor in *Vikings* and reveals his personal pick between next year's showdown between *The Dark Knight Rises* and the *Avengers*. MARK JULIAN: Before you were an actor, you were in the wrestling industry and if my information is correct, an injury is what ultimately forced you to stop wrestling. Is it safe to say that if you were never injured you never would've pursued acting? And what are your thoughts on the trend of wrestlers turning to Hollywood? CONAN STEVENS: At the age of 16 I had chosen Professional Wrestling as my vehicle to fame, then I was going to
