

Dan Jurgens is a very busy man right now. Between providing a mixture of writing and artistic duties on "The New 52" comics such as Green Arrow and Justice League International, as well as the recent announcement that he'll be taking over Superman with Keith Giffen as of #7, he was kind enough to take the time out of his jam packed schedule to answer my questions. To check out Dan's website, click [HERE](#), while you can also follow him on Twitter - @djjurgens. Check out the interview below, and be sure to share your thoughts in the usual place. Dan Jurgens is an accomplished writer and artist who both writes and draws the adventures of the comic book industry's most legendary characters. His storytelling talents have breathed life into the most noteworthy properties from DC Comics, Marvel Comics and more. Dan has also created numerous characters that have become enduring staples
