

Logan Marshall-Green has primarily worked on stage, tv and has had roles in the likes of Brooklyn's Finest and Devil. Now an impressive turn as scientist Charlie Holloway in one of this years' - and indeed any other years' - biggest movies looks set to garner the 35 year old South Carolina native a lot of positive attention. Logan was good enough to take the time to chat to me about Prometheus , and his role as the somewhat unlikable, but fearless, Holloway. Warning, some SPOILERS ahead.. MC: Hi Logan, thanks for the call..and great name by the way.. LMG: Ah thanks man, Weapon X baby. MC: So how did the Premiere go? I couldn't make it over unfortunately. LMG: Swimmingly. You missed out, it was a spectacle. MC: I heard. So Charlie Holloway is a pretty big role in a really big movie, could you talk a little about how you landed it? LMG:
