

Taking the time out of his hectic schedule to talk to me about working on Thor, stuntman Paul Lacovara has provided us with a fascinating insight into how he entered the industry and his work doubling for Tom Hiddleston's Loki in the highly anticipated Marvel Studios movie. To learn more about Paul and his work, you can visit his IMDb page by clicking [HERE](#). Here is the interview in its entirety. Enjoy! What can you tell us about being a stuntman? Shoot! Where do I start?! Being a stuntman is the best job in the world. The only other job I wanted growing up was to be a fighter pilot but my math wasn't up to par, so the only other logical choice was to start throwing myself off buildings and get beat up by women. I love being a stuntman; I get to do all the stuff I
