

Despite being busy with roles in the likes of The Iron Lady and Jack the Giant Killer, actor Russell Balogh was kind enough to take some time off to talk to me about his recent appearances in 2011 comic book movies, X-Men: First Class and Captain America: The First Avenger. Giving us an interesting insight into his roles in them as well as much more, I'm sure you'll join me in wishing Russell all the best with his future projects...especially if he decided to pursue the role of a superhero on the big screen! You can find out more about Russell by heading on over to his official website by clicking [HERE](#) and be sure to follow him on Twitter [HERE](#). Russell Balogh was born in 1981 in Guildford, Surrey, United Kingdom. Even though he always had a love for movies he did not start acting until later on in life. A
