

J.T. writes for DC on titles such as Teen Titans, Green Arrow and Captain Atom, but he also does excellent work for Aspen Comics; writing on titles such as Fathom, Soulfire and Mindfield. Listen below as I get an update on Fathom, whether Megan Fox is still attached to the project, and what he's currently reading in the comic world. Interview Conducted By: Mark Julian

JT KRUL -Discusses the movie adaption of Fathom and if Megan Fox is still attached -1:46

Updates the movie adaption of Soulfire, it's being produced by The Walking Dead producer

Gale Anne Hurd -3:01 On whether his Mindfield series will also be adapted into a film or TV

show -4:34 Reveals he's working on a novel -6:33 On whether he's pro-traditional or pro-digital

when it comes to reading comics -8:36 Which comics he's following outside of his own work

-10:07 The character he'd love to write that he's never had the
