

Recently, I had the chance to speak to producer Gale Anne Hurd as we did a light retrospective on her career. Most people these days, probably know her best for The Walking Dead but her success story goes much farther back to The Terminator, Aliens, Tremors, Terminator 2: Judgment Day, and even a few comic book movies such as The Incredible Hulk and The Punisher. In looking at her career, we talked about her exposure to comics at an early age [she's a Marvel girl], her start under the legendary Roger Corman and I even had a little fun asking her about who would direct and star in a Gale Anne Hurd Wonder Woman movie. We also spoke about her production company, Valhalla Entertainment and the plethora of projects they currently have in development. The majority of the interview is still in the editing bay but
