

Arlene Klasky and her partner, Gábor Csupó, formed Klasky Csupo, Inc. in 1981. While they have worked on numerous projects over the years, and still continue to do so, they are perhaps best known for the creation of the Emmy Award-winning Rugrats and The Wild Thornberries. With big screen box office hits such as The Rugrats Movie (1998), it's unlikely that you will be unfamiliar with the Klasky's work, while many of you (myself included) will have grown up watching shows such as those mentioned above. The studio is now working on two new digital comic books, Ollie Mongo Adventures in the Apocalypse and Splaat!. Recently, I was able to quiz Arlene Klasky on all of the above and much more (including the online debut of never-before-seen animated pilots). Links to where you can see all of these can be found in the interview below. Firstly, can you tell us about the
