

Kind enough to take the time out of his busy schedule to answer my questions about his work on Captain America: The First Avenger, Ghost Rider: Spirit of Vengeance and The Dark Knight Rises, stuntman Rick English gives us a fascinating and unique insight behind the scenes of all three movies, as well as revealing plenty of new details about what he did on each of them. You can learn more about Rick and his work by clicking to head on over to his official site [HERE](#), and follow him on Twitter [HERE](#). Rick English has been a member of the British Stunt Register since 2001 and has been fortunate enough during that time to work on some of the world's biggest movies with the greatest directors and stunt coordinators, doubling actors such as Nicolas Cage, Gerard Butler, Hugo Weaving, Jason Flemyng, Stellan Skaarsgard, Michael Fassbender, Mark Strong and Alan Rickman.
