

Kevin Eastman recently reached out to the TMNT community and asked if there was anything from the long-running animated series that they would like to see in the new movie. Peter, you weren't a huge fan of the 80's animated series, but if you had to take a few elements from that show and apply it to a new live-action film, which would they be?" If you are talking about elements of that show AS THEY WERE USED IN THE SHOW, I would say "nothing." If you had control on a live-action Turtles' film, who would be your choice to direct? Steve Barron... though I am sure there are any number of directors who could do it justice. Actually, I think Lloyd Goldfine (from the 4Kids TMNT series) might be a good choice. Bleeding Cool is reporting a rumor that the working title of the new film is "Ninja Turtles." Does that irk you since,
