

A new TV spot for The LEGO Batman Movie has been released, and it proves that the Dark Knight is "Not Really A Hugger" as we get to explore his relationship with Robin. That's something the movie clearly isn't going to shy away from poking fun of, but don't expect any weird jokes about them sharing a bed! With respect to both Wonder Woman and Justice League, this looks like 2017's best DC Comics adaptation, and it's almost certainly going to be a worthy successor to 2014's hit The LEGO Movie. In the irreverent spirit of fun that made The LEGO Movie a worldwide phenomenon, the self-described leading man of that ensemble – LEGO Batman – stars in his own big-screen adventure: The LEGO Batman Movie. But there are big changes brewing in Gotham, and if he wants to save the city from The Joker's hostile takeover, Batman may have to drop the lone vigilante thing, try to work with others and maybe, just maybe, learn to lighten
