

"Captain America: The First Avenger" will focus on the early days of the Marvel Universe when Steve Rogers volunteers to participate in an experimental program that turns him into the Super Soldier known as Captain America. As Captain America, Rogers joins forces with Bucky Barnes and Peggy Carter to wage war on the evil HYDRA organization, led by the villainous Red Skull. While the following TV spot contains only a few extra seconds of footage (a couple of new lines of dialogue and some shots of Chris Evans in the suit) it also features an extended look at a previously seen moment between Cap and Bucky on the HYDRA train, which seemingly results in the death of the latter judging by what we can see here. Take a look below and be sure to share your thoughts in the usual place! And thanks to CineComics.fr, we have this new still from the movie. With
