

ABC has a respectable hit on there hands with Once Upon A Time, a story that imagines classic fairy tale characters living in modern times. Fables has a similar concept, well it has the exact same concept and was at one point in time also being developed by the tv network. As such, there's been a mini-storm of e-outrage (or in today's Apple dominated marketplace, is that now i-outrage?) amongst the geek community that ABC just decided to "borrow" the Fables concept for their own purposes. In response to this idea, Fables creator Bill Willingham sat down for an interview with...Bill Willingham? Source: CBR Bill Willingham: So let's dive right in to the deep end. Is "Once Upon a Time" (which we should now refer to as "Once" for brevity) a rip off of "Fables?" Bill Willingham: My best guess, based upon the scanty evidence, is probably not. Bill Willingham: Is
