

We have already seen Rapoza's amazing collection of Teenage Mutant Ninja Turtles characters and now he has started on another fan favorite set of portraits. He-Man And The Masters Of The Universe. Here we have Trapjaw, Skeletor and Evil-Lyn. I'm sure these are only the first of many as there are literally dozens of great characters in this universe for Mr Rapoza to adapt to his own unique style.. Head on over to Rapoza's Site to check out some more of his work. By TwitterButtons.com
