

Who doesn't like Disney and Green Lantern? (the comics anyway:) Well now you can see what happens when they meet in these awesome designs below. Do you agree with the choices of character? Red Lantern Stitch-Based off his initial behavior Orange Lantern Ariel-She's a horder, and incredibly selfish within the context of her own movie Yellow Lantern Jack Skellington-He likes to inspire fear Green Lantern Mulan-Most Disney characters fall under Will, so I just picked Mulan and gave her a Jedi ish outfit Blue Lantern Beast-He has a lot of hope. And don't ask for what smartass Indigo Lantern Aladdin - he's very compassionate, even more so in the series, so he fits Star Sapphire Jessica Rabbit-She has great love for her husband Black Lantern Flynn/Eugene Ryder-Fitzherbert-He died and came back to life, it's a no brainer White Lantern Rapunzel-She brought Flynn back to life, also DUH These sprang from the imagination of artist Alex Lee M and you
