

I love these. Alex Tuis has put together these great portraits depicting various actors as Marvel characters. How can you argue with a younger Keitel and Hauer as Wolverine and Thor? I must admit I have no idea who Guy Williams is though! Let us await the inevitable "but Spider-Man is not Asian!"..

From Tuis' Blog.. I had always dreamed that one day we could see a Marvel Super Hero movie. Now we have the Spider-Man movies, the X-Men movies, Thor and now the Avengers. But they don't have my dream cast. I hope you will enjoy this original take on these famous characters.
