

I recently spotted this pretty impressive piece of work while just on a random Google Image search. One image features a close up of Anne Hathaway giving us a detailed look at the facial features, which mostly resemble Anne. While another gives us a good look at Ms Kyle's alter ego's costume. A few details seem to be off, but hey, 'I'm adaptable.' Sound off in the comments below about what you think! The Dark Knight Rises starring Christian Bale, Anne Hathaway, Tom Hardy, Gary Oldman, Marion Cottillard, Micheal Caine, Joseph Gordon-Levitt and Morgan Freeman is in cinemas now.
