

So, it's been a while since I've thrown out my Man Without Fear script, but CBM user Splenda made me an offer I couldn't refuse. He whipped up this awesome trailer (a-la Joe Carnahan's sizzle reel) for my Daredevil movie and has agreed to make a trailer for each of my movies! Glad to be back, glad for the support. Now, throw your praise to Splenda and Jolt17 for providing the awesome minimalist poster. Oh, and if you haven't read the script yet...don'tcha think ya should? The Man Without Fear I'll go ahead and say that I'm really proud at how this all turned out. The whole trilogy took about three months to write, and both Bobby (Jolt) and Spencer (Splenda) had quite the task on their hands with the side projects. But we're all quite proud that we invested this time for these projects. Good product deserves good investment, after
