

Awaiting promotion to kick back into gear for one of next summer's highly-anticipated films, Marvel's The Avengers, talented fan artists, who aren't exactly on the payroll, have taken "official" elements of the superhero ensemble piece and crafted their own fan-tastic artwork based on the movie. Depicting some the most descent, unique, stunning, awesome and (intentionally) funny artwork, with each artists' name and DeviantArt profile captioned, take a scroll down and check it out below. avengers sketch by ~lee-gorky AVENGER SKETCHES by ~galindoart The Avengers Movie Wallpaper 3 by ~estogarza Captain America's Shield, Thor's hammer, Iron Man's Helmet by ~Iconograph "Avengers" Black Widow poster by ~AndrewSS7 Avengers Movie Cards 1 by ~ncajayon The Avengers 2 & The Avengers by ~Fiorique You were made to be ruled by ~Kazeki FyeahLoki by *MischievousMartian The Avengers - unofficial by ~RedScar07 Wear a jacket, Loki by ~Spader7
