

Any time either Luke Cage or Ms. Marvel are mentioned on CBM, the two actors portrayed as them here are sure to follow. Whether you agree with these choices or not, there is no denying that they are a good many fan's first picks if either character should ever make it to the big screen. I think these poster do a pretty good job of giving us an idea of what they might possibly look like.. The posters were put together by Alex Heaton. Head on over to his Deviant Art page to check out some more of his work.
