

Comic Alliance had posted some really cool custom comic book covers from one of their users Kerry Callen. What makes these cover so special is that Callen has animated them. Check the covers for The Amazing Spider-Man #33, The Dark Knight Returns, Iron Man's Demon In A Bottle, as well as Justice League's Wheel of Misfortune below. Pretty awesome if I do say so my self. Be sure and leave your comments in the comment boxes below and to check out other redos to comic book covers that Kerry does follow the source link.
