

Every year I wrap all our families gifts inside out leaving me with white paper to personalize for my kids and my wife. As an artist this has become an important family tradition! Being a geek some of my wrapping depicts my (and my children's) love of Comic books. I figured I would share some of this year's Comic inspired wrapping with you guys. Enjoy! My Daughter's name is Bailey here are her highlights: Bailey IVY BaileyQUINN this one isn't exactly CBM material but I thought you guys might like it: The Bailey Before Christmas My Son's name is Griffin (I expect some positivity from Grif here) here are his highlights: The GRIFF Lantern Tree (sorry the pic looks funny Had to scan it in two parts and then piece them together) Woodinator's Son GriffINATOR (again... Had to scan it in two parts and then piece them together) Green Santern! The Griffin SYMBOL Merry Christmas Guys! Till next time, Woodinator!
