

Pierce posted the image to her Facebook page, adding - Just to let you know this is a poster one of Chloe Moretz's fans made...cool, right?. It is indeed. In fact I'm pretty sure it will turn out to be a good deal better than whatever the movie's marketing department eventually do officially release, as is so often the case. Chloe Moretz will play the title role of Carrie, and the search continues to cast the role of her nutcase mother, played so brilliantly by Piper Laurie in the original film. Both Jodie Foster and Julianne Moore were mentioned back when Moretz was officially cast, but there has been no word since. Updates as we have em.
