

Chiefbrodyrules, who put this together, calls it an experiment that didn't work out, saying.. Note: When I say 'didn't work out' I meant it didn't match my original vision. It's good but I wish it was better. I'm glad you guys like it. Well, I think there is some great editing and voice sinking on display there so if this is only a taste of what he can do I really hope to see some more from him. What did you guys think?
