

Attack The Block (Blu-ray) Directed by Joe Cornish, this is one of the best films to come out of the UK this year. Featuring a South London gang of youths protecting their "block" from an alien invasion, Attack the Block has far more heart than the trailer may have led you to believe. Hilarious, scary and all-round great fun, this is a must watch. Fantastic Four by Waid & Wieringo Ultimate Collection, Book 1, 2 & 3 I've mentioned this series several times before here on CBM, but the brilliant work of writer Mark Waid and the late Mike Wieringo has now been collected into three "Ultimate Collections". If you're not a fan of the Fantastic Four, this series will make you one. No creative team has managed to surpass this epic run which sees the team travel to Heaven, battle Doctor Doom, switch powers and one of them even becomes a Herald for
