

Attention Star Wars fans: Felicity Jones and Daisy Ridley are not the same person! In a special public service announcement made through MTV's After Hours with Josh Horowitz, the star of *The Rogue One: A Star Wars Story* humorously aims to make it clear that despite their dark hair, British accents and roles in Star Wars films, her and Ridley (who plays protagonist Rey in *The Force Awakens*), in fact, different people. The actress also makes sure to - once again - debunk the unrelenting theory that her character, Jyn Erso, and Rey are somehow related. Check out the funny PSA below! *Rogue One: A Star Wars Story* is directed by Gareth Edwards and stars Felicity Jones, Diego Luna, Ben Mendelsohn, Donnie Yen, Mads Mikkelsen, Alan Tudyk, Riz Ahmed, with Jiang Wen and Forest Whitaker. Kathleen Kennedy, Allison Shearmur and Simon Emanuel are producing, with John Knoll and Jason McGatlin serving as executive producers. The movie opens in U.S. theaters on December 16, 2016.
