

Felicity Jones won an Oscar for her role in *The Theory of Everything*, but the actress has struggled when it comes to the blockbuster realm. Introduced as "Felicia" in *The Amazing Spider-Man 2*, it appeared as if a big role for her in the franchise was being set up...until it was scrapped altogether by Sony. *Inferno* also bombed earlier this year, but her fortunes changed with *Rogue One: A Star Wars Story*. A critical and commercial success (it's already passed the \$400 million mark at the worldwide box office), it should help Jones' career take off in a massive way, even if we never see Jyn Erso again! Now, thanks to *Movie Hotties*, we have photos from the actress' recent appearance in *Glamour Magazine*. As you can see, she looks a lot different to the time she spent fighting against the Empire, and it's now kind of fun to imagine which other franchises Jones could join. How about a superhero property? As always,
