

Brenden Connelly over at BleedingCool is a film teacher and today he recieved these two 'Thor' posters from 'Film Education' giving us a break down of the posters and a little more information on them. Head on over to BleedingCool for the extra large versions of the pictures. Paramount Pictures and Marvel Entertainment present the epic adventure, "Thor," which spans the Marvel Universe from present day Earth to the realm of Asgard. At the center of the story is the mighty Thor (Chris Hemsworth), a powerful but arrogant warrior whose reckless actions reignite an ancient war. Thor is cast down to Earth by his father Odin (Anthony Hopkins) and is forced to live among humans. A beautiful, young scientist, Jane Foster (Natalie Portman), has a profound effect on Thor, as she ultimately becomes his first love. It's while here on Earth that Thor learns what it takes to be a true hero
