

Ridley Scott, director of "Alien" and "Blade Runner," returns to the genre he helped define. With PROMETHEUS, he creates a groundbreaking mythology, in which a team of explorers discover a clue to the origins of mankind on Earth, leading them on a thrilling journey to the darkest corners of the universe. There, they must fight a terrifying battle to save the future of the human race.

Thanks to The Film Stage for the embed. Stay tuned for the full reveal of th trailer tomorrow. Prometheus is set to hit theatres on June 8th, 2012.
