

Following a batch of official stills and episode title/director reveals, we've come across these previously unreleased Iron Fist promotional pics of Finn Jones as Danny Rand on Reddit. Unfortunately the "Living Weapon" is not wearing that costume fans have been so desperate to get a glimpse of, but we do get a good look at Rand's iconic tattoo. In the comics, Iron Fist defeats an immortal dragon named Shou-Lao to earn his ink, but something tells me it won't play out exactly like that on the show. Check out the pics below, and keep an eye out for a new Iron Fist trailer very soon. Daniel Rand returns to New York City after being missing for years. He fights against the criminal element corrupting New York City with his incredible kung-fu mastery and ability to summon the awesome power of the fiery Iron Fist. Iron Fist will be the last piece of The Defenders puzzle, and will eventually join Luke Cage, Jessica Jones and Daredevil to
