

Set in 1979 Ohio, the film will follow a group of six young children as they use a Super 8 camera to make their own home movie. One night while filming near a remote stretch of railroad track, the children witness a truck collide with an oncoming train leading to a catastrophic derailment. Amidst the fire and destruction, something emerges from within the wreckage, something inhuman. Starring Elle Fanning, Joel Courtney, Kyle Chandler, Noah Emmerich, Ryan Lee, and Ron Eldard, Super 8 is set to be released on June 10, later this year!
