Winstead: I think that it's exciting to wonder who is a Thing and who isn't, and that's really where the suspense lies. A lot of films in the genre, you kind of know it's not gonna end up well. I don't think anyone is really expecting a happy ending. But that kind of going along for the ride and being in the suspense of the moment is what's really exciting. Our story is so great and it's one that could be played out in so many scenarios, and I think with bringing in completely different characters from completely different backgrounds and countries brings a whole other level of paranoia. It takes it into a different direction, having this language barrier between the characters and
