

Following yesterday's reveal of the theatrical poster, as expected, Sony Pictures have now debuted the teaser trailer for Ghost Rider: Spirit Of Vengeance. With an introductory from the duo directors Mark Neveldine and Brian Taylor, check it out below! Ghost Rider: Spirit Of Vengeance picks up where it's been several years since making a deal with the Devil and Johnny Blaze, living in self-imposed isolation, finds himself as the only person who can help save 10-year-old Danny - and ultimately the world - thanks to his unwanted and uncontrollable power - his ability to transform into the hell-on-wheels monster 'Ghost Rider'. Starring Nicolas Cage, Idris Elba, Ciar n Hinds, Christopher Lambert & Violante Placido, the film releases in 3D February 17, 2012
