

The Hobbit is an upcoming two-part epic fantasy film directed by Peter Jackson. and starring Martin Freeman as Bilbo Baggins and Richard Armitage, known for playing Lucas North in the BBC drama series Spooks, as Thorin Oakenshield. Several actors from Jackson's The Lord of the Rings film trilogy will reprise their roles, including Ian McKellen, Andy Serkis, Hugo Weaving, Cate Blanchett, Christopher Lee, Ian Holm, Elijah Wood, and Orlando Bloom. Additionally, composer Howard Shore, who wrote the score for The Lord of the Rings film trilogy, has confirmed his role in both parts of the film project. The two parts, entitled The Hobbit: An Unexpected Journey and The Hobbit: There and Back Again, are being filmed back to back and are currently in production in New Zealand; principal photography began on March 21, 2011. They are scheduled to be released on December 14, 2012 and December 13, 2013, respectively. Here is an
