For a half-century, these words have set the framework upon which OmniCorp has aimed to build a brighter world. We don't do passive technology. At OmniCorp, our solutions generate a beacon of safety that we shine upon on the dangers of the day. No matter the obstacle - political, cultural, philosophical - we pursue our convictions around the globe to secure peace of mind at home. And when this requires bold new direction, we never allow doubt to shrink our duty. When your quality of life is in the balance, our leadership team will tip the scales. Our products have elevated your lives. Our people have inspired your future. Our passion will always be at your side." Jose Padilha's remake has attracted quite a cast. Joel Kinnaman as Murphy/Robocop, Gary Oldman as his scientist-creator and Samuel L. Jackson as a
