

I, Frankenstein has been filming for the past couple of night in Melbourne. The movie stars Aaron Eckhart, who plays Frankenstein's creature, that for the film is named Adam Frankenstein. The movie revolves around demons wanting to capture Adam so that they can learn the secret of reanimating corpses. They hope to use that knowledge so that one day they can create their own ghoulish army. Video Courtesy of Zdoo01 Actor Aaron Eckhart during filming of I, Frankenstein in Flinders Lane. Picture: Tim Carrafa Source: Herald Sun On Tuesday night, the movie's main actor, Aaron Eckhart, was seen in a long, dark overcoat on set, while stunt men practised running over cars and flying through the air. I, Frankenstein will be in theaters February 22nd, 2013. The film stars: Aaron Eckhart (The Dark knight, Thank You for Smoking), Bill Nighy (Underworld, Love Actually), Miranda Otto (Lord of the Rings), Yvonne Strahovski (Killer Elite, I love
