

doctam3 video of the fight videos and pictures courtesy of subaruwrxfan subaruwrxfan are source at the Pittsburgh shoot has been streaming updates. So I'm watching the same area today from the "prison break practice" video. The steps are now manually being covered with snow around the edges and stuff. There's about 50-75 cop and swat looking guys facing the steps just lined up. The 3 camo tumblers just rolled in also. Barricades in same place, and all 3 tumblers were there for his scene yesterday, although I believe only 2 could be seen on camera. Interesting observation though, yesterday a trailer that was unmarked today now has a sign that says "Wayne" on it. I think batman is gonna be doing some filming today. Getting ready to film police vs mercenaries scene. No prisoners. All happening on those same steps. Snow falling from the sky. Just did a take. Snow was coming down really heavy, it's actually
