

We've known that Kelly Hu would be featured in The CW's Arrow as China White since San Diego Comic-Con, but other than a few teases from Stephen Amell, we've heard nothing. Now, with the show soon debuting we finally have our first look at how Kelly Hu (X-2) will appear on the show. China White originates from the comic book Green Arrow: Year One, however according to Zap2It, she'll be hired by a criminal by the name of Martin Somers to take out Laurel Lance, as she tries to take him down with the law. Perhaps we'll get our first look at Deadshot soon, as well. China White is expected to appear in Episode 2, presumably airing on October 17th.
