

Thanks to Comic Book Resources, we have a first look at The Vulture action figure from Hasbro's upcoming Marvel Legends Spider-Man: Homecoming line. Standing at six inches tall, the photos below offer up a great look at the suit which will be worn in the movie by Adrian Toomes, and as we saw in the trailers released last night, the wall-crawler will have his hands full with this tech based villain. It looks like this will be The Vulture's final costume in Spider-Man: Homecoming, but it's not like we expecting to see him don his classic comic book costume anyway! With any luck, more of the movie's action figures will be released over the next few months, and Iron Man will probably be among them. Starring Tom Holland, Michael Keaton, Zendaya, Donald Glover, Jacob Batalon, Laura Harrier, Tony Revolori, Tyne Daly, Bokeem Woodbine, Marisa Tomei, Robert Downey Jr., and almost countless others, Marvel's Spider-Man: Homecoming is directed by Jon Watts and will be released on
