

Green Arrow Artwork by Robert Atkins The potential series revolves around former billionaire playboy Oliver Queen who, after being marooned for five years on a remote island, returns with a mysterious agenda and a lethal set of new skills that he uses in a war on crime.

Collider.com has a larger image, but I can't get the image to load. Maybe you'll have better luck.

"When I directed the pilot for Smallville, I knew that making Clark Kent relatable would be the key to audiences believing in him as a hero," says the pilot's director/executive producer David Nutter. "Arrow is a different show — darker and harder-edged — but it's the same core idea. We're creating a real, believable world in which Oliver Queen can do incredible things.

[Costume designer] Colleen Atwood's great work on the Arrow costume reflects that effort."

CW's Arrow stars Stephen Amell as Oliver Queen/Green Arrow, Katie Cassidy as Dinah "Laurel"
