

Receiving confirmation last week that it was attached to this Friday's release of Captain America: The First Avenger, it's no surprise eager Spidey fans have captured and posted the first teaser trailer for Marc Webb's The Amazing Spider-Man reboot. While an original quality version can likely be expected this week, watch a low-quality version below! The Amazing Spider-Man focuses more on Peter Parker's high school days and the development of his powers while navigating the troubles of a brainy geek in high school. And starring Andrew Garfield, Emma Stone, Denis Leary, Rhys Ifans, Martin Sheen, and Sally Field, the film swings into theaters July 3, 2012 in 3D!
