

Thanks to a heads up from Hey U Guys, we have the first official set photo from the filming currently taking place in Pinewood Studios in London. Depicting little more than a clapper-board adorned with the official logo and Skyfall title, it also reveals the first scene shooting today on November 7th is Scene 45 (not that that means anything to us at this point). So, there you have it. A sink. Be sure to share your thoughts below and stay tuned for more updates!

STARRING: Daniel Craig as James Bond Judi Dench as M Javier Bardem Naomie Harris Ralph Fiennes RELEASE DATE: October 26th, 2012.
