

A couple days ago we got are first really good look at set photos and concept art for M. Night's secretive film. There were even pictures of the two stars, Will and Jaden Smith, but neither was seen in costume. Well, last night Jaden went to his Twitter account and posted our first look the futuristic costume for the movie. Whatcha think of that? Will M. Night finally make a good movie again? Now, that would be a twist. The film is set 1000 years in the future and centers on a young boy navigating "an abandoned and sometimes scary Earth to save himself and his estranged father after their ship crashes." - Collider WhoSayPhotoEmbed.create({vanityRoot: "http://www.whosay.com/jadensmith", clientName: "Jaden Smith", vanityLink: "http://www.whosay.com/jadensmith/photos/130488", photold: "http://media.whosay.com/130488/130488_la.jpg", title: "#afterearthswag", width: "650", height: "700" }) After Earth will be released in theaters June 7, 2013. The film stars Will Smith and Jaden Smith. The movie also stars Zoe
