

Following the premiere in San Diego last night, the first review for Iron Man and Iron Man 2 director Jon Favreau's latest movie have started to emerge, and the good news is that they're extremely positive so far! Here are some excerpts from The Hollywood Reporter, but be sure to click on the link below to head on over to the site to read the review in full. With even more expected to be released online throughout the day, stay tuned for more info on the critical response to Cowboys & Aliens as and when we have it. Fusion is everything in gourmet cuisine these days, so why shouldn't filmmakers mix and match movie genres no matter how crazy? Cowboys & Aliens— well, the title says it all. Taking the idea from a Platinum Studios graphic novel by Scott Mitchell Rosenberg, this film from Jon Favreau shrewdly blends an alien invasion movie
