

In the epic action-adventure *Snow White and the Huntsman*, Kristen Stewart (*Twilight*) plays the only person in the land fairer than the evil queen (Oscar® winner Charlize Theron), who is out to destroy her. But what the wicked ruler never imagined is that the young woman threatening her reign has been training in the art of war with a huntsman (Chris Hemsworth, *Thor*), who was dispatched to kill her. Sam Claflin (*Pirates of the Caribbean: On Stranger Tides*) joins the cast as the prince long enchanted by Snow White's beauty and power. While we're on the topic of *Snow White And The Huntsman*, we now have the details for James Newton Howard's score album, which will be released May 29th (via *Film Music Reporter*).
