

The world is about to be invaded and conquered by time traveling Observers from the future. Our heroes must find some way here in the present to stop the take-over from happening... or they must find some way to overthrow their oppressors in the future. "The Comic-Con panel is something I always look forward to, but this year it's bittersweet," says exec producer J.H. Wyman. "I think we have lots of good stuff in store for them." The Fringe Panel at SDCC 2012 will be on Sunday, July 15th; Season 5 begins airing on Fox this Fall.
