

Synopsis - Two friends in Mexico discover the Lament Configuration and unleash Pinhead, but one decides to try to survive by swapping himself with someone else. Once they go missing, family members go in search of them but find Pinhead instead. Pinhead makes his return to the silver screen, but that isn't quite the quality I was hoping or expecting. Obviously this is a low budget production, and doesn't seem worthy of the title, "Hellraiser." Hellraiser: Revelations, directed by Victor Garcia (Mirrors 2), stars Steven Brand, Daniel Buran, Jolene Anderson, Nick Eversman, Stephen Smith Collins, and Jay Gillespie. On VOD and in limited theaters September. On DVD and Blu-ray October 18th.
