

Burton seems to be a divider here on CBM, personally I think he can be hit and miss - with really great hits and pretty damn terrible misses! I think this looks like it could be good fun though. What's the verdict? A heartwarming tale about a boy and his dog. After unexpectedly losing his beloved dog Sparky, young Victor harnesses the power of science to bring his best friend back to life—with just a few minor adjustments. He tries to hide his home-sewn creation, but when Sparky gets out, Victor's fellow students, teachers and the entire town all learn that getting a new "leash on life" can be monstrous. A stop-motion animated film, "Frankenweenie" will be filmed in black and white and rendered in 3D, which will elevate the classic style to a whole new experience. In Tim Burton's "Frankenweenie" young Victor conducts a science experiment to bring his beloved dog Sparky back
