

In this gritty thriller, Edgar Allan Poe (John Cusack) joins forces with a young Baltimore detective (Luke Evans) to hunt down a mad serial killer who's using Poe's own works as the basis in a string of brutal murders. Directed by James McTeigue, the film also stars Alice Eve, Brendan Gleeson and Oliver Jackson-Cohen. When a mother and daughter are found brutally murdered in 19th century Baltimore, Detective Emmett Fields makes a startling discovery: the crime resembles a fictional murder described in gory detail in the local newspaper—part of a collection of stories penned by struggling writer and social pariah Edgar Allan Poe. But even as Poe is questioned by police, another grisly murder occurs, also inspired by a popular Poe story. Realizing a serial killer is on the loose using Poe's writings as the backdrop for his bloody rampage, Fields enlists the author's help in stopping the attacks. But when
