

Before any of you get the impression we're only posting the negative review for Green Lantern, let me assure you that's not the case! Below are some excerpts from the most recent ones to hit, and I've done my best to also include the positive comments...there just aren't that many of them! Regardless, I've provided links to each of the full reviews, so be sure to check them out. Digital Spy There is a convoluted mythology partly explained by Hal's grudging mentor Sinestro (a literally red-faced Mark Strong) who talks a lot about "fear versus will". Similarly, the backstory at times threatens to bog down the present-day action which sees Peter Saarsgard as a bitter scientist who becomes completely twisted - physically as well as mentally - by the bad Parallax vibes. Meanwhile, Hal is grappling with his own fears about whether he is worthy of the ring, and of Carol. When it
